ABOUT US

Alpha Ray Global Services Limited delivers premium agricultural and mineral resources worldwide. Founded in 2022, we prioritize trust and efficiency.

We export palm oil, sesame seeds, soybeans, hibiscus, ginger, garlic, wheat, and corn, meeting international standards for food, pharmaceuticals, and industrial use.

Our mineral exports include lead ore, zinc ore, lead oxide, and wood charcoal, serving manufacturers and industries globally. With reliable logistics, competitive pricing, and secure payment options (TT and LC), we handle bulk orders smoothly, ensuring timely delivery.
